

### 12A Cooper Street Marsfield NSW

5  3  2 

Designed for luxury living and built for innovative everyday comfort, this one-of-a-kind, brand-new duplex, by an award-winning architect, takes advantage of iconic city skyline views, headlined by the Harbour Bridge and Sydney Tower.

Defined by custom finishes, optimised with cutting-edge inclusions, luminous open-plan living and dining merge a premium, exclusively Miele-equipped kitchen with bespoke outdoor entertaining beneath an electric louvre pergola. Met by quality at every angle, curved details filter through a high-calibre construction set on a concrete slab, integrated with ducted air conditioning and 3-phase power to the entire home.

Vast bedrooms, luxury joinery and high-end bathrooms over both floors, blend the functionality of
