Visionary in design, this spectacular architectural residence unfolds with unforgettable views reaching the city throughout an effortlessly connected tri-level layout. Spacious gallery-like interiors perfect an atmosphere of calm continued through landscaped gardens balanced by sculptural plantings and pure tranquillity.

Heightened by a true sense of space, striking spans of glass interconnect family living, rising through airy open plan lounge and dining spaces. Intelligently designed with a scullery-style connection to a walk-in pantry and garage, the kitchen is shaped for hosting, centred by an oversized island and servery to one of several alfresco zones.
